About Me

Information and Technology graduate specializing in graphic design and video editing, branding, digital marketing, and social media content creation. Proficient in Adobe Photoshop, Illustrator, and Canva, with a strong eye for detail and creativity. Experienced in leading design initiatives for various projects and activities, demonstrating teamwork and leadership skills. Passionate about crafting visually compelling content that enhances engagement and brand identity. Seeking opportunities to apply my expertise while continuously learning and growing in a dynamic creative environment.

Experience

- Graphic Designer**
Rotaract club of Rajarata University (Jan 2023 - Jan 2024)
Collaborated with the Public Relations team to develop engaging social media content, enhancing the club's online presence.
